Prague, Czech Republic

Symposium Information

The 2004 IIHF International Coaching Symposium will be held in Prague, the capital city of the Czech Republic, from April 30 to May 3, 2004. The IIHF Coaching Symposium will be held in conjunction with the 2004 IIHF World Championship, which allows the participants to take part in lectures and to also attend World Championship games in Prague. This IIHF Coaching Symposium is operated by the IIHF Coaching Committee, working with the organizer and the Czech Ice Hockey Association including their Research Committee.

Under the title 'Practice & Science & Game', the program incorporates individual and team performance, technical and tactical preparation, fitness and conditioning, as well as psychological preparation.

This three-days symposium is designed to provide elite coaches, physicians, physiotherapists, managers and scientists from all sporting disciplines, with the latest technical and motivational information to get the most out of their players and teams.

All the lectures will take place at the centrally located Hotel Pyramida in Prague at the Congress Hall, where the participants will be accommodated during the entire IIHF Coaching Symposium.
